Conservative's Queen Edith's division candidate,  
County Council election / 4th May 2017

**Manas Deb** is a keen supporter of local businesses – and what's not to like about **The Queen Edith** public house in Wulfstan Way!

It's a fact for many QE residents – parking outside their house can be a pain because of those Addenbrooke's visitors who use nearby streets and other local parking facilities.

I raised this issue at my meeting with Addenbrooke's Trust last year and requested the Trust manager to reduce the parking charges in its multi-storey car parks to make it affordable for visitors and hard working staff.

I am also campaigning against the workplace parking levy proposed by Greater Cambridge City Deal because it will make life difficult for hundreds of school teachers, secretaries, University staff, Science Park employees and hotel staff.

# Our plan for Cambridgeshire

Since 2013 no party has had a majority in the County Council, so Conservatives are having to fight extra hard for you.

Please vote Conservative in the County elections in May so we can deliver our plan for the future of Cambridgeshire – which includes:

## 1 Health and social care

We will trial a radical new way of supporting adults with social care needs – better, more responsive support, delivered locally, 24/7, more frontline staff and drastically reduced back office management overheads.

## 2 Infrastructure

We will complete our current major projects: the A14 upgrade, the Ely southern bypass and the King's Dyke Crossing. We will kickstart other major projects including: Soham Station, connecting Wisbech to Cambridge by rail, a major upgrade to the A10 and dualling the A428 from Caxton Gibbet to Black Cat.

## 3 Economic competence

Conservatives will deliver and protect our core services through the transformation of the way services are delivered, while saving another £100m.

## 4 Housing

We will promote more affordable houses through devolution and the Council's housing development programme.

## 5 Local transport

Conservatives are committed to community transport and transport hubs. We will fight hard to retain buses in rural areas.

## Devolution

Why Conservatives support devolution and James Palmer (right) as the Mayor for Cambridgeshire:

- Devolution provides our region with an extra £770m for infrastructure and housing.
- Our councillors fought for it – unlike the Opposition.
- It delegates power locally – and away from Westminster.

Look out for more news about James Palmer!

The County Council currently spends £4m annually on road repairs and maintenance.
